APPOINTMENT POLICY

The Committee of the MDFRA would like to remind our members of the Policy on Appointments.

During the week prior to a round of matches, you will be advised by the Appointments Officer of the game or games to which you have been appointed. Appointments are based on your availability, grading and ability as determined in accordance with the National Grading schedule.

Failure to attend a fixture, after having accepted the appointment, without a valid excuse, is unprofessional, a breach of the Referees Association's by-laws and totally unacceptable and may render you subject to disciplinary action by the Management Committee. If you accept an appointment and subsequently withdraw, you **must** advise the Appointments Officer in good time. Similarly, advise the Appointments Officer whenever you know in advance that you will not be available for coming weeks.

ONCE ALLOCATED TO A MATCH - STAY THERE

Even if your match has three officials and the game on the next field has none at all, stay where you were allocated unless instructed otherwise by a member of the Technical Sub-Committee of the Macarthur District Football Referees Association Inc. ***Do not allow Clubs to pressure you into moving to another field.***
