Uniform Policy

The committee of the MDFRA would like to advise members on the wearing of the referees uniform.

The referees uniform is only to be worn when you are attending to appointed matches, sanctioned by the MDFRA. The referees uniform must not be worn at any other time unless the committee has given permission.

Referees are reminded that drinking of alcohol or smoking while in uniform is not permitted.

Failure to follow the above directive may result in disciplinary action being brought against the member/members.
